Directory

April 2026

The Doncaster East Football Club is incredibly proud to be supported by such a passionate and generous group of sponsors. Their commitment to our club goes far beyond financial support — it helps create opportunities for our players, strengthens our community, and ensures we can continue to grow both on and off the field. Our sponsors play a vital role in everything we do, and we are genuinely grateful for the trust and belief they place in our club.

In 2026, DEFC will field Senior, Reserve and Under 19 teams in the Premier Division of the Eastern Football Netball League — widely regarded as one of the strongest local competitions in Australia. Competing at this level requires significant investment in people, programs, and facilities. From attracting and retaining quality players, to maintaining our grounds and ensuring our athletes are well prepared, supported and cared for, the resources required are substantial. The contribution of our sponsors plays a critical role in making all of this possible and, quite simply, helps keep our club thriving.

We encourage all players, members, families and supporters to get behind the businesses that support us. Whether it's choosing them for your next purchase, recommending them to others, or engaging with them on social media, every bit of support makes a difference. Many of our sponsors are local businesses with strong ties to our community, making your support even more meaningful. By backing our sponsors, you're helping to build a stronger, more connected DEFC — one where everyone plays a part in our shared success.
